Christianshavns Kanal 4
DK - 1406 København K
Tel: +45 39 62 30 55

Materials:
Prototype - 3D print plaster produced by rapid prototyping

Parts:
The series consists of fourteen different storage units

Product category:
Other

Product status:
prototype

Short Texts:
Fourteen little helpers - for organising desktop spaces. Contain everything from papers to sellotape.

Long Texts:
This series intends to make life around the desktop environment easier. Be it at home or at work. The fourteen containers are easy to transport from place to place, and simplify the challenge of organising the many accessories so many of us depend upon.
