**Product name:**  
Mymoon

**Design:**  
Louise Campbell and Malene Reitzel

**Year:**  
1998

**Made by:**  
Louise Campbell and Malene Reitzel

**Materials:**  
Latex and fibreglass

**Measurements:**  
Diameter: 34cm Height: 45cm

**Product category:**  
Furniture

**Product status:**  
Limited edition

**Short Texts:**  
Floor lamps inspired by the tranquillity of the moon

**Long Texts:**  
Staring at the moon is calming. Looking at its brightly lit uneven surface feels like a privilege. We nicked a bit of it, and placed it indoors. In the form of a little lamp, available in seventeen different colours. Named after craters on the moon. One hundred lamps were made. They have all found good homes.
